

## Outline Drawing

CKG4-630A/12kV-S AC Vacuum Contactor  
(Mechanical Latching)

| Technical Parameters                    |                        |                 |
|-----------------------------------------|------------------------|-----------------|
| Rated Voltage                           | kV                     | 12              |
| Rated Current                           | A                      | 630             |
| Rated Making Capacity                   | A/100 Times            | 6300            |
| Rated Breaking Capacity                 | A/25 Times             | 5000            |
| Limited Breaking Capacity               | A/3 Times              | 6300            |
| Rated short time withstand current (2S) | kA                     | 6300            |
| Rated peak withstand current            | A                      | 15750           |
| Mechanical Life                         | Times                  | $5 \times 10^5$ |
| Electrical Life                         | Times                  | $1 \times 10^5$ |
| Weight                                  | kg                     | 30              |
| Control Power Voltage                   | V (AC/DC)              | 110、220         |
| Closing Power                           | W(transient)           | 900             |
| Opening Power                           | W(transient)           | 300             |
| Auxiliary Contact                       | 3 pairs NO, 3 pairs NC |                 |
